

About us

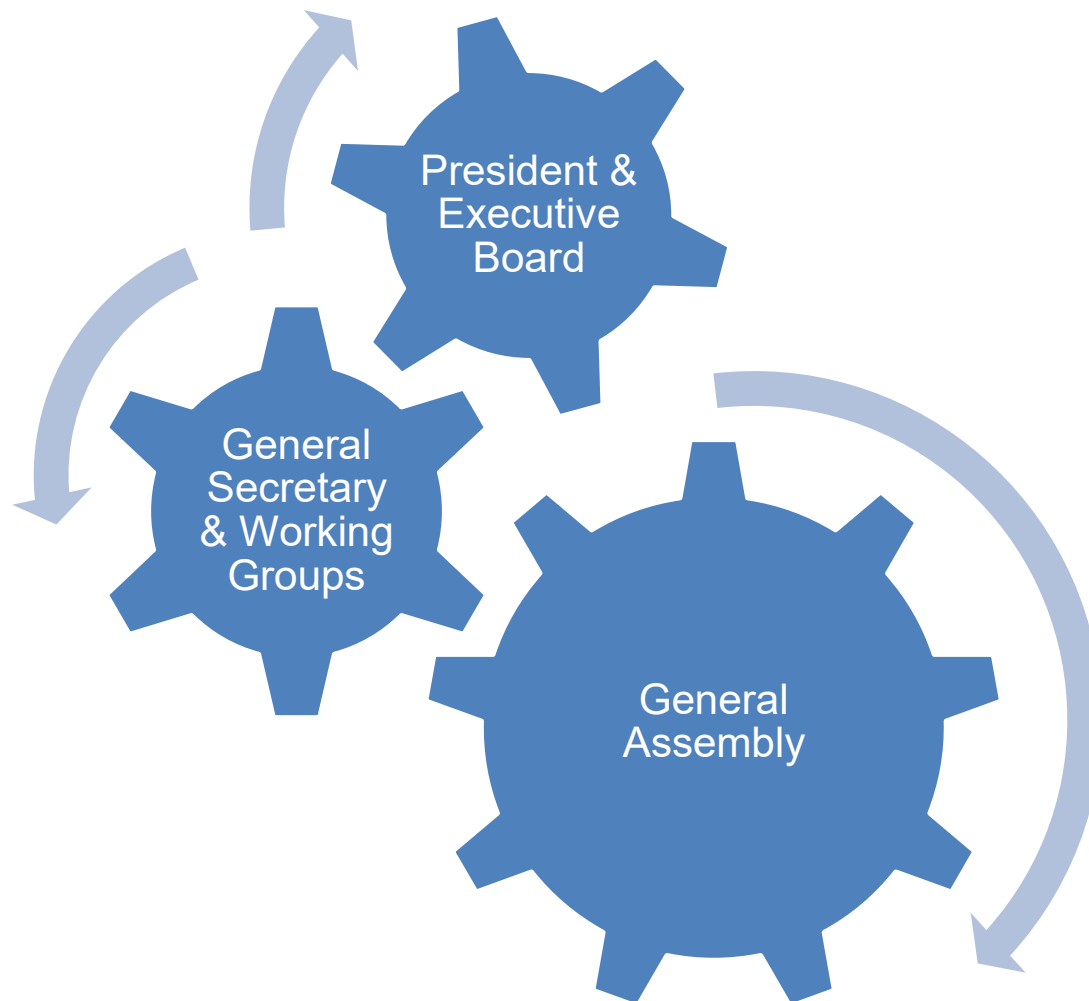

IBAR – ITALIAN BOARD AIRLINE REPRESENTATIVES is a no-profit Association whose current membership consists in over 50 Italian and International Airlines, Cargo Carriers and Air Couriers.

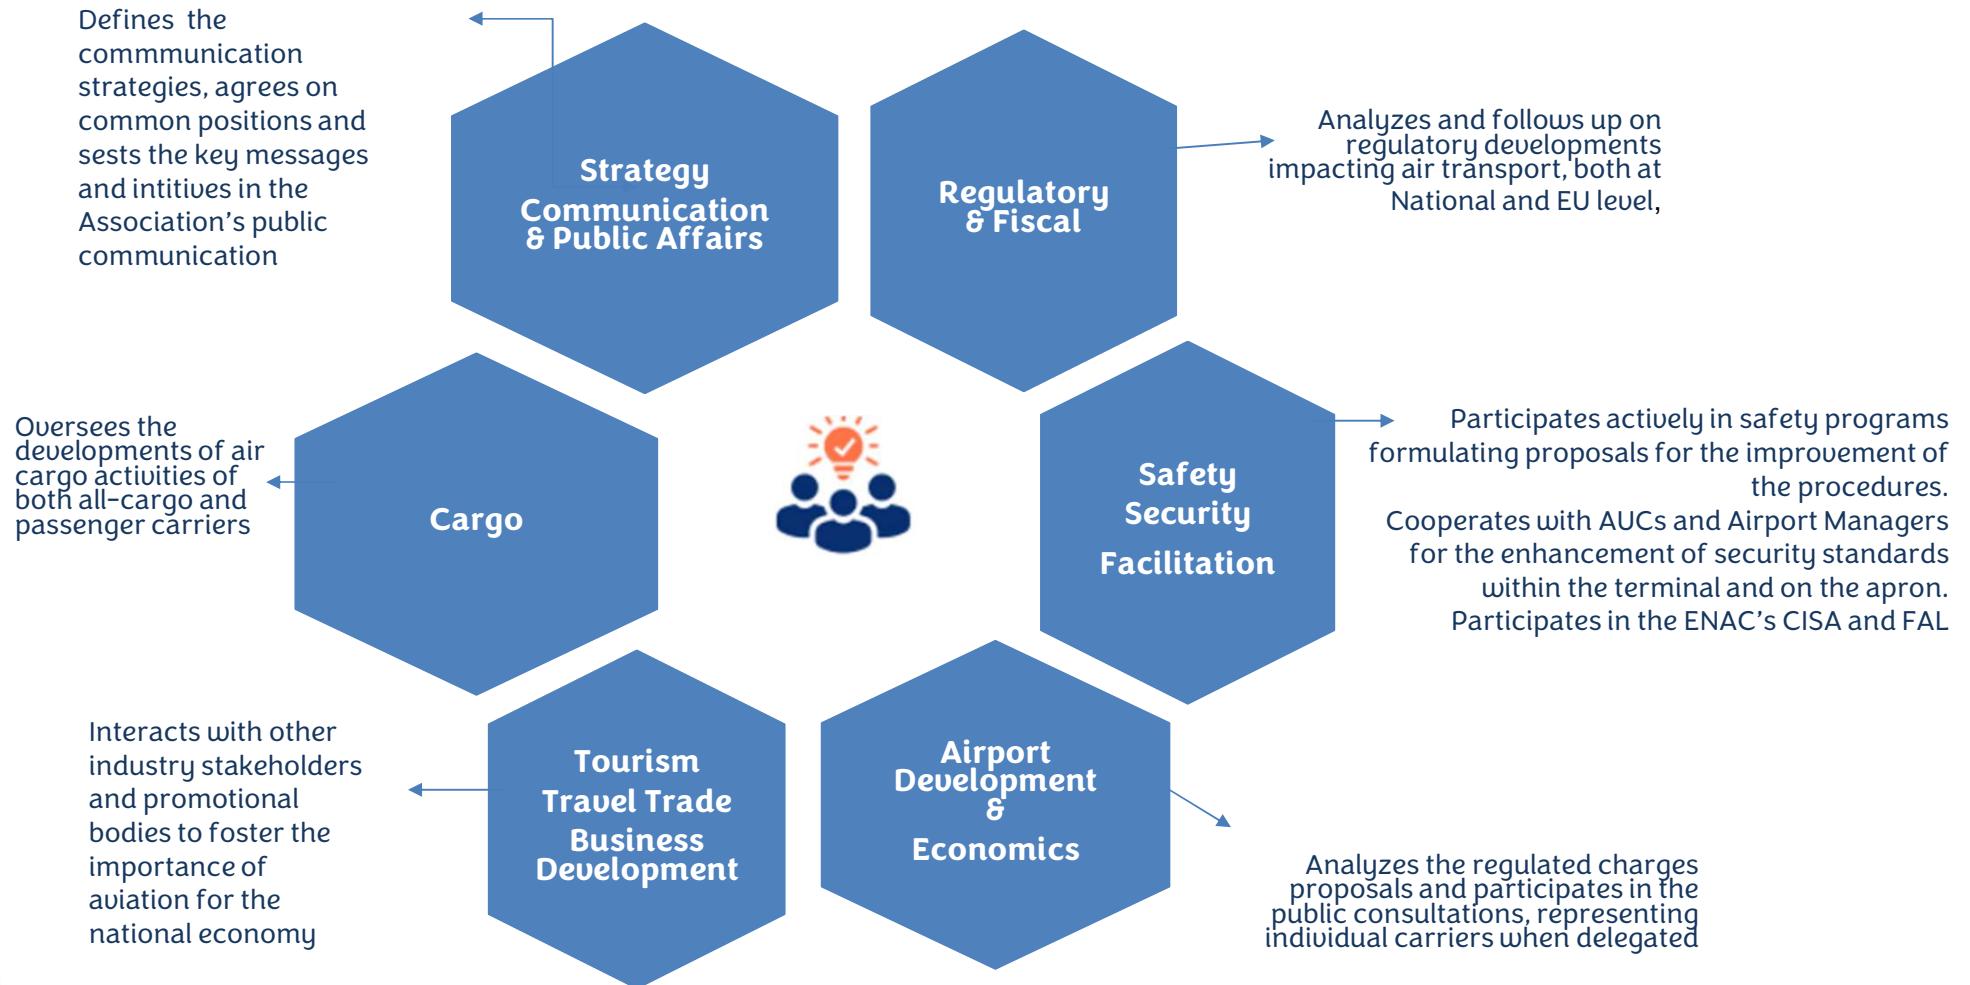

IBAR in brief :

- is an authoritative and informative player protecting the Airlines' interests through **constant liaison with legislative bodies, local authorities, and airport operators.**
- participates on behalf of the airlines in the **National CISA (Inter-ministerial Aviation Security)** and **FAL (ICAO Facilitation Programme)** Committees
- is a **recognized representative of the Airlines' Community** by the **National Regulatory Bodies** (ART – Transport Regulation Authority, ENAC – National Commercial Aviation Authority) , the Ministry of Transport and the Antitrust Authority
- is a **well-known industry watchdog** in favour of free markets, transparent regulation and level playing fields.
- adheres strictly to anti-trust legislation and does not involve itself in any debate or communication on commercial matters or policies concerning pricing, agency remunerations or competition between members.

How we function

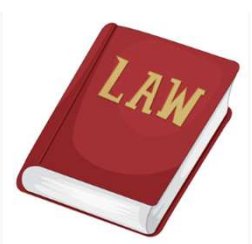

Our Working Groups

Members' benefits

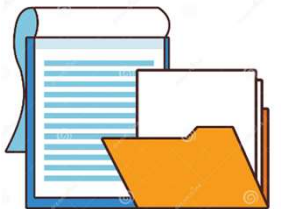

- In-house legal services and, whenever required, collective legal actions at reduced costs.

- Updates on legislative processes, English translations of Laws, Directives and Ordinances.
- confidential communications on regulatory matters impacting the air transport sector.

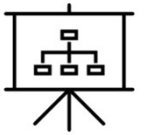

- Representation in the consultations on regulated airport charges and in the SLA negotiations

- Full access to the documents' archive in the website repository.

More services for the Members

- **Multi-lingual weekly press summaries on aviation**

- **Opportunities to participate in ad-hoc workshop and seminars on industry-specific topics**

- **Networking possibilities both within and outside the industry**
